PROFESSIONAL SUMMARY

I am a learning solutions strategist and architect integrating tech and AI that changes performance and delivers efficiencies for training teams. I have partnered with executive leadership and HR for Fortune 100 companies to build enterprise-wide learning programs that change performance and achieve measurable results for both systems and soft skills training, notably in healthcare, banking and SAAS environments. I have been a peer mentor, led committees on new technology adoption, and sat on corporate training councils.

STRENGTHS AND EXPERTISE

Instructional Design	LMS Administration	Change Management
eLearning Development	AI for Articulate 360 / Camtasia	Agile Project Management
AI - Claude, CoPilot, ChatGPT, Gemini	Microlearning / Audio / Video	New Technology Adoption

PROFESSIONAL EXPERIENCE

Instructional Design Freelance

November 2025 - Present

- Provide services for eLearning development projects using Articulate and Camtasia products.
- Self-upskill in AI best practices and blending tools for learning and development teams.
- Rebranded and relaunched my web site www.kevincassidy.com.

Instructional Design Contractor - Humana

May 2025 - October 2025

- Increased Provider upskilling adoption time 70% with blended and on demand learning resources.
- Reduced associate train the trainer time 50% and design time 40% with standard design templates.
- Overhauled and restructured PCO provider new hire eight-week curriculum from ECW to athenaOne.
- Managed and reported Provider EMR change management readiness progress to leadership.
- Designed storyboards and developed Storyline 360 modules for early adoption compliance training.
- Utilized Articulate 360, Camtasia, SnagIt, Photoshop, Adobe Audition, MS Stream and MS Teams.

Instructional Design Contractor - McKesson

November 2024 - April 2025

- Built 26 course New Hire curriculum for new Supplylogix pharmacy management system adoption.
- Reduced Pharmacist adoption time 60% and trainer costs 50% with full featured self-paced delivery.
- Consulted and partnered with subject experts to identify audiences, finalize outlines and draft topics.
- Utilized recorded webinars to validate role-based process and procedure to turn into full courses.
- Developed Articulate Rise courses with embedded Camtasia instructional systems videos.
- Leveraged AI for writing storyboards and text to voice synchronization of systems videos.

Instructional Design Contractor - UnitedHealth Group

April 2023 - March 2024

- Reduced development time 40% with high quality design templates and project engagement costs 60% by partnering with SMEs to validate step procedure workflows in a new billing system.
- Consulted with billing, IT and change management to design crosswalk job aids, storyboards and Articulate Rise demonstration and simulation enhanced micro courses by job role.
- Tracked and communicated weekly progress to leadership on adoption readiness and course buildout.

Senior Instructional Design Contractor - Amplitude

August 2022 - November 2022

- Reduced traditional facilitator-led only adoption time 50% by developing three new hire account executive sales certification eLearning curriculums for bronze, silver and gold products.
- Reduced development time and costs in a short turnaround contract time 40% creating Articulate templates branded and outlined for each product level course type.
- Created interactive, video-based sales courses for a new SAAS marketing analytics product launch.
- Partnered with marketing and sales department SMEs to scope all objectives.
- Recorded sample sales calls for source video assets for final product scenario development.
- Partnered on a new learning team "Center of Excellence" for migrating to agile project management, including a new Google Forms based Intake.
- Worked with vendors to select a new Mindtickle LMS platform for integration with Highspot.

Instructional Designer IV Contractor - KPMG

March 2022 - June 2022

- Created eLearning products for new ESG product integration training for Sales Enablement Team.
- Partnered with Bard College SMEs to create course outlines, storyboards and gather content.
- Performed as project manager to track deliverables and communications between SMEs and KPMG.

Multimedia Instructional Designer

September 2021 - February 2022

Self-Employed

- Created eLearning courses for small business owners.
- Utilized Articulate 360, Camtasia and Adobe Creative Suite.

Senior Learning Specialist - Full Time

September 2020 - September 2021

Capital One

- Designed and developed eLearning and facilitator led products in support of the Fraud and Disputes Organization (FDO) of the US Card business line.
- Worked on a SCRUM managed team while servicing and maintaining over 40 FDO New Hire curriculum paths and learning journeys.
- Created interactive, multimedia scenario-based eLearning courses on how customer service agents working in FDO identified and compliantly worked a fraud and dispute claim from end to end.
- Designed facilitator and participant guides and performed train the trainer duties.
- Worked with the Quality Management Organization (QMO) to identify performance gaps.
- Created course storyboards, wrote voiceover audio scripts and performed voiceover.
- Participated in daily stand ups, sprint planning and retrospective SCRUM ceremonies.
- Performing QA and acceptance testing as a One Learn LMS administrator.
- Maintained source files in SharePoint.
- Conducted peer to peer cross training sessions in agile project management.
